"A" Wire Service Furnished by FBIB

1. Reference is made to your memorandum dated 31 July relative to the discontinuance of the "A" wire service furnished by FBIB.
2. Attached are copies of letters sent to recipients informing them that this service will be discontinued on 23 August 1947.
3. Please take action --
 - a. To discontinue the service on the date indicated.
 - b. To coordinate with Federal Reserve System for additional numbers of copies required.
 - c. To arrange through Mr. Armstrong to provide any essential special biographic service for the Department of State.
 - d. To insure the expeditious delivery to the War Department of published Daily Reports. Special courier service will be resorted to if necessary.
4. Please submit recommendation by 20 August for change in FBIB Tentative Table of Organization to reflect this reduction in functions together with a recommendation for appropriate decrease in personnel ceiling for that activity.
